

SUBJECT: WATER UTILITY BILLING

December 10, 2012

Dear Woodland Lakes Residents:

Gulf Utility Service is pleased to announce to you that we are your new water service provider. Our goal is to provide the purest water, timely and accurate billing, and superior customer service.

Your current Water Operator (TNG) will read your meters this week (with Gulf Utility/H2O personnel shadowing their readers). TNG will mail your bill and your payment will be sent to TNG.

Starting next month, all bills and payments will be provided to you by Gulf Utility and payments need to be sent to the Gulf Utility payment office (listed below).

So to reiterate – this next bill from TNG will be processed at their address and then going forward (starting January 2013) bills/invoices will be provided by Gulf Utility, with your payments sent to Gulf Utility and **checks made payable to: Woodland Lakes**

Please, see below Gulf Utility contact information. The below phone number provides 24/7 access for both day-time and after-hours calls.

If you have any questions about your water service, we welcome you to contact us. We appreciate in advance the opportunity to be of service.

Warmest Regards,

GULF UTILITY SERVICE, INC.
